

# Preschool Craft: Suncatchers

## MATERIALS:

- clear and round plastic lid
- glue
- tissue paper in multiple colors
- scissors
- hole punch
- twine, ribbon, or string**

## INSTRUCTIONS:

1. Have a grown-up hole punch the top of the lid. Loop the twine, ribbon or string through the hole and make a knot at the top.
2. Cut the tissue paper into the desired shapes. Use your imagination!
3. Glue the tissue paper to the lid on one side only.
4. Wait for it to dry and hang it in a window!

Happy Creating!
